

5 YEAR WARRANTY

All sealed units supplied by Panotrade LLP are covered by the warranty unless notified at time of order/invoice.

UNITS GLAZED INTO ALUMINIUM FRAMES

5 YEARS

ALL ELECTRICAL COMPONENTS

1 YEAR

Panotrade LLP state that the warranty covers against the breakdown of the sealed unit, (i.e. misting).

All units must be handled, stored, and fixed in accordance with our installation guide.

Any claim must be accompanied by a copy of the original registration document, this must be returned to us within one month from date of sale.

This warranty covers replacement of parts only.

This warranty is available to Panotrade LLP customers only and is non-transferable.
